Treasurer’s Report – Michelle Moon

- Budget – \$15,050 received from the patron mailing of the budgeted \$25,000.
- Hilltopper Weekend profits are down significantly from last year’s Friday Night Lights. Open to suggestions for fundraising to make up for lost revenue.

Hilltop Shop at Mondo

- We’re selling new sweatshirts at Mondo. Spread the word to friends and neighbors
- We will have an online sale for the holiday season
- We’re looking for volunteers to help Annette at the Mondo shop
- There is a new merchandise Instagram site. Please follow us at [shs_boosters_merch](#)

Communications - Lisa Campbell

- We encourage a 5pm Sunday deadline for emails regarding weekend events. An email will be sent on Monday recapping the weekend events and then another email usually goes out midweek or Friday with the week’s highlights
- Process – one person per team should be designated to email the information. We prefer 1-2 photos, titles, and exact text of what you want to be promoted. Please email shsboosters15@gmail.com

Boosters Sports Journal - Jodi Devaney

- Historically, our Journal was a major fundraiser. It was a paper magazine that was the only place where every single team was represented with their records.
- We’re rethinking the Journal format this year and may move it to a digital format. We’re currently reaching out to our photography and digital art teachers to get student participation. Advertising can be hyperlinked online.

Athletic Director State of the Department Report/Q & A – Dan Healy

- Check out SummitSports.org for more information on all things Summit sports
- Follow Dan’s Twitter account @ adsummitNJ
- Sports seasons are shortening to allow for more time in between seasons for the multi-sport athlete. They have not decreased the number of games, but have shortened the length of the season. It’s currently transforming and the changes are designed for student safety.
- Health forms for the winter season are being accepted and are due 10/31

Motion to adjourn was made by Elizabeth Fagan and seconded by Catherine Liguori

Next meeting: Wednesday, November 16, 8:30 am
